Decision: Commuter Parking Update

At its meeting of December 20, 2016, the Board approved the recommendations in the staff report as follows:

“It is recommended that the Board:

1. Note the parking rate increases in support of the 2017 budget, as approved by the Board at its meeting on November 21, 2016 (see Appendix A);
2. Receive the information set out in the Confidential Attachment;
3. The information set out in the Confidential Attachment is to remain confidential until a new management contract is in place for the maintenance and operations of TTC commuter parking lots”.

The following staff recommendation was referred to staff with a request for additional information to be submitted to the January Board meeting:

4. Endorse the approach to go out to tender for the maintenance and operations of commuter parking lots.
