Stop Relocations – Eglinton East Priority Bus Lanes

• 14 stops are being relocated along this corridor to improve operations in the RapidTO corridor
• Stops are being relocated from nearside to farside - as shown in the maps by black dots (old location) and green dots (new location)
• Relocating them to farside improves reliability, accessibility and travel time
• New stops will have longer bus pads to allow for multiple buses
• City of Toronto will survey and install new shelters
Eglinton and Midland
